

Quality Management as a Service (QMaaS), LLC was founded in 2016 on the principles of Excellence, Integrity, Honesty, Respect and Accountability. These are the same principles I followed for 17 years in the USAF

QMaaS

Quality Management Support

QMaaS dedicates itself to assisting and facilitating organizations in obtaining certification to ISO 9001, ISO 14001, ISO 27001, ISO 20000-1, CMMI for Development, and CMMI for Services in the most effective, economical, on time, and on budget manner. We only work with the most reputable registrars and certification bodies/agencies to ensure your certification is recognized nationally and internationally.

QMaaS has achieved 100% success rate for all ISO implementations and CMMI assessments. This means that all of our clients successfully achieve the ISO certification and CMMI assessment in the first attempt. We guarantee it!

Our 5 phased approach allows for the identification of a registrar, development of processes/procedures, implementation, and certification assistance. After certification we offer a monthly or quarterly service that allows for follow-up visits to ensure your organization stays compliant and performs all required internal audits and management review meetings.

- ISO 9001:2008 Transition Services
- ISO 9001:2015 Implementations and Service
- Process Identification and Documentation
- Process Development and Implementation
- Quality Management System Development and Implementation
- Management System Documentation
- Documentation Reviews
- Pre-Assessments
- Support during the Certification Process
- Continual Improvement Process
